

Hazel Health is here to make it easy for you to get your child the care they need when they need it.

- No out-of-pocket costs.
- Support for all students—insured or uninsured.
- Available M–F from 7:00 am–7:00 pm at home or at school.

We know families and students are dealing with more than ever before. More children than ever also need extra support with their mental health. Getting students the support they need to thrive shouldn't be an added stressor. That's why our goal is to make it as easy as possible for your child to get the care they need.

What to expect

Families in school districts that partner with Hazel Health can enroll their students in our virtual therapy program in two ways:

PATHWAY 1:

A qualified adult at your student's school can refer your student

After your student has been referred, you'll receive a call from the Hazel Health Team.

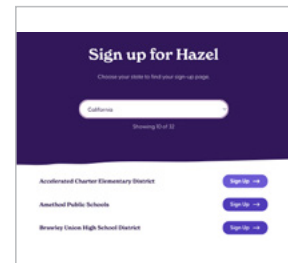

We will always leave a voicemail. Please call back as soon as possible.

PATHWAY 2:

You can refer your student for therapy

Visit www.hazel.co/get-hazel to get more information.

Then, call 1-800-76-2935 to request a visit.

ENROLLMENT CALL

- If you have insurance, please have your information ready to provide
- If you don't have insurance, your child will still get care.

Hazel Health's team will:

- Walk you through the process
- Answer your questions
- Help you with the consent form
- Support with account setup
- Schedule your student's first visit

FIRST VISIT

- You'll receive a text message with a link to join
- You will need a tablet, smartphone, or computer with internet access
- You will join your child for a 75-minute visit
- This visit will help us understand your child's needs

ONGOING VISITS

- Our program is designed to provide care for 6-8 sessions
- Our highly-qualified therapists will provide support through a proven approach
- Your child's therapist will assess your child's progress and discharge them or make a recommendation for additional care

ADDITIONAL SUPPORT

- If your child needs additional support, Hazel will provide recommendations for local therapists
- We continue to support your child until they can connect to a local therapist
